HURRICANE
MARION HIGH SCHOOL
MARION, VIRGINIA
1964

Route '64

“If there is any motion in society, the road, which is the symbol of motion, will indicate the fact.”

Come along with us, the HURRICANE staff of 1964, as we journey along ROUTE '64. Through what cities does it pass; to what vast prairies, towering mountains, raging rivers, and green valleys does it point? None! We are certain ROUTE '64 will prove to be the most interesting highway over which you have traveled, as it wends its way through the past year at Marion Senior High School; the work and play, the laughter and tears. You need no luggage, no automobile to travel our road; you only need to turn the pages of our yearbook.

“Bon Voyage!”

ACCESS ROAD

Honored Passenger

We, the HURRICANE staff of 1964, appreciate not only those who do a lot which is visible for our school, but also those who in their quiet way do the plain daily jobs that keep the school going. Therefore we would like to dedicate this year's HURRICANE to a person who has unselfishly given time and talent to many varied activities of Marion Senior High School; who has been kind and understanding at all times; who has shared our problems and our triumphs; who has inspired us to Christian ideals and spurred us to greater achievements; and who is our friend, teacher, and advisor: Mrs. Lillie P. Echols.

Some of the varied activities of our administration have been:

Mr. J. Leonard Mauck, Superintendent of Smyth County Schools, along with twenty-three other superintendents of the United States and Canada for six weeks at the Seminar for School Superintendents at Chicago, did research in educational problems and attended some outstanding schools at the Atlantic City meeting of The American Association of School Administrators. In February, Mr. Mauck served as chairman of a panel who discussed the problems: "Why capable high school students do not continue education." This convention was one of the largest in the United States, attended by 2,700 people. In April Mr. Mauck went to the State Superintendent's Convention in Roanoke. He is a member of the Legislative Council of the Virginia Legislative Association, and the State Superintendent's Advisory Council.

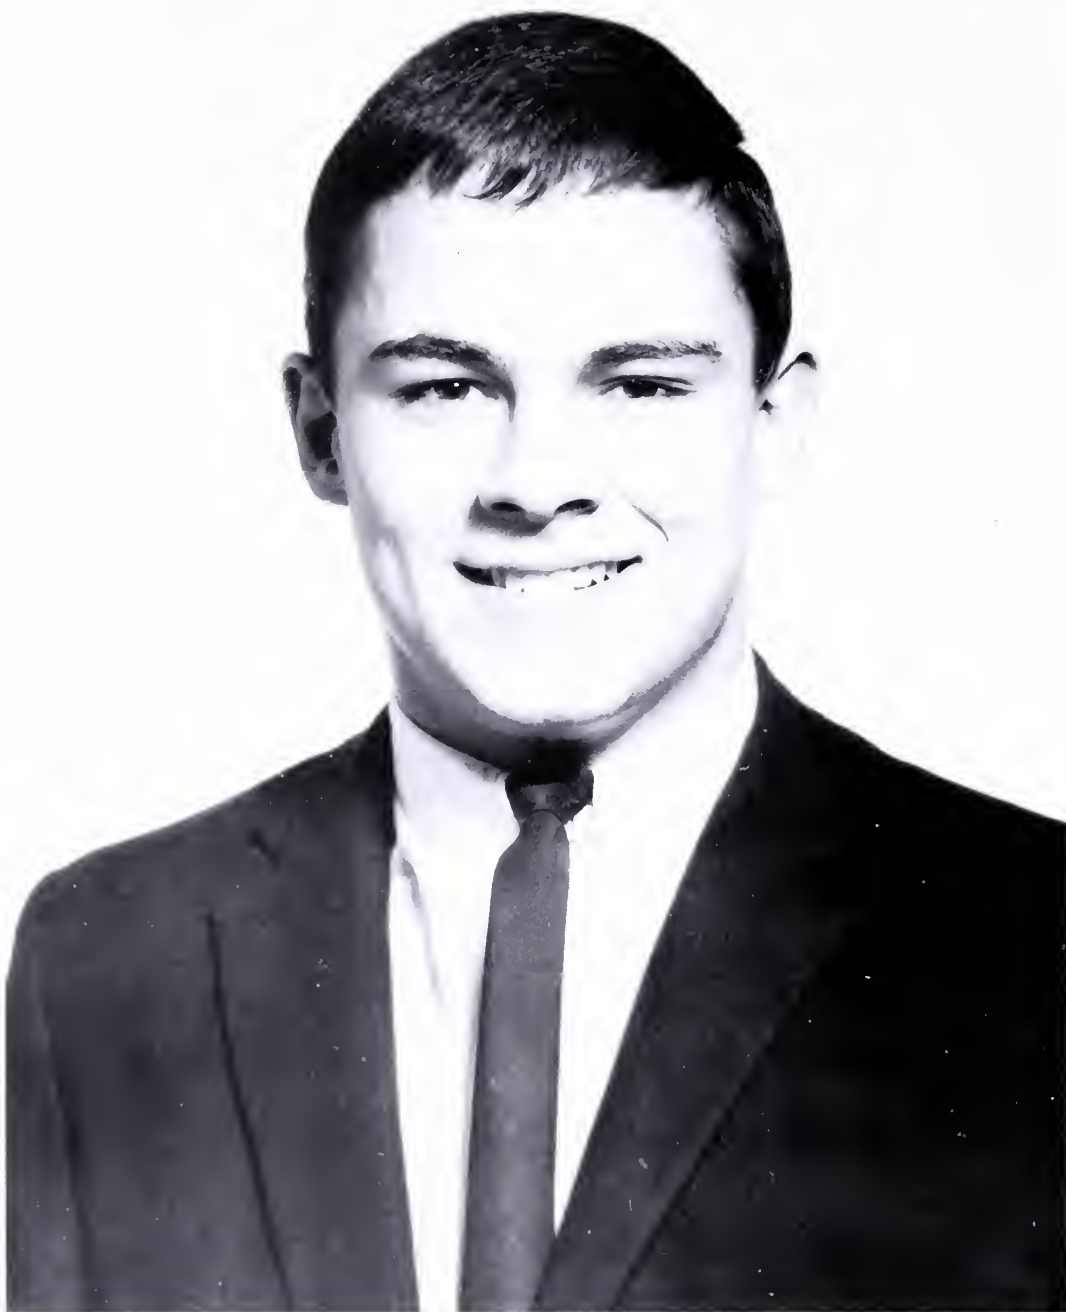

Mr. Howard W. Williams, Principal of Marion Senior High School, attended the Virginia Secondary School Principal Conference in Radford last summer; the Virginia High School League Conference at the University of Virginia in March; and the Virginia Education Association meeting in Richmond. He and the faculty of M.S.H.S. have been trying to correct the problems of our school, using the suggestions of last spring's evaluation.

In November Mr. N. Lewis Clay, Principal of Marion Junior High School, attended the V. E. A. Instructional Program Learning Conference at Roanoke, the V. E. A. Program on Junior High Science at Charlottesville in February, and the Regional Science Fair in Roanoke.

S. C. A. President

JOE MATTHEWS

The President of the Student Cooperative Association upholds the standards of the S.C.A. with enthusiastic, courteous, and intelligent leadership. He presides at all assemblies and meetings of the student body and advisory council. He must be alert to recognize the needs of the student body and to guide the executive council in setting up the aims for the school year.

Solving our problems together.

BACKWARD GLANCE

August 26, 1963, we entered the doors of Marion Senior High School with great anticipation of the year ahead. We knew it would be a year, not only of hard work and studying, but also a year of fun.

Our football team, much to our delight, won its first game over the Chillhowie Warriors with a score of 20-13. They were beginning a winning season, and we were behind them all the way.

On September 21 the SCA sponsored a beauty pageant, the first of its kind at our school. Carol Collins was chosen Miss Marion Senior High School and went on to be crowned queen of the Chillhowie Apple Festival. Two other Marion girls, Ann Freeman and Mary Mauck, were among the five finalists in the Apple Festival.

Our thoughts turned to the future when we attended College Career Night on September 25. Representatives of schools and businesses of the area were present. This service was beneficial to our students by giving them the opportunity of professional guidance and advice.

September 27 was a day of great excitement for the Seniors, for on that day the long-awaited class rings arrived. Filled with pride, the Seniors made sure that everyone noticed their newest possessions.

Our exciting Homecoming weekend began on October 24 with the Variety Show, "Hurricane Hootananny," followed by a bonfire and pep rally. On the following night the Scarlet Hurricane swept in a victory of 21-12 over the Abingdon Falcons. During half-time, Linda Haulsee, attended by Carol Collins, Linda Maiden, Nena Lemmon, and Judy Warren, was crowned Homecoming queen for 1963. The semi-formal Homecoming dance was held on Saturday night. The queen and her court were presented during intermission.

Marion closed its football season with a victory over Saltville 18-6. The boys closed with a record of 5-4-1, a winning season of which we were all very proud.

Girls' basketball started on November 5. They had an undefeated season and went on to become champions in the Smyth County Tournament.

On November 11 the boys' Scarlet Hurricane basketball team opened the 1963-64 season. Despite their lack of height and experience, they emerged with a record of 3 wins and 11 defeats.

The Junior Play, "You're Only Young Once," was presented before a large audience on December 6. Leading the outstanding cast were J. S. Staley, Gary Phillips, Ida Groseclose, and Mike Robinson.

The next event in our exciting whirl was the Christmas Dance, poetically called "The Holly and the Bells." Eddie Anderson and Brenda Duke were chosen to reign over the festivities.

On January 8, a new sport was introduced at MSHS when Coach Chapman's wrestling team had its first match with Pulaski. Although the boys suffered several defeats, they received valuable experience from their first year of wrestling.

Almost before we realized, it was time for the Valentine Dance. "Sweethearts' Paradise" was held February 22 in the transformed school cafeteria with Bobby Campbell and Peggy Hopkins crowned king and queen.

"A Little Honey," the Senior Play, was presented April 3. Leading the fine cast were Doris Adams, Richard Kirk, Jane Potter, Sandy Garvey, and Roy Martin.

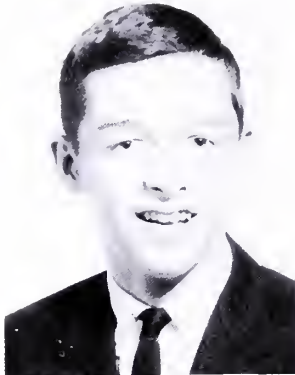

Finally the long-awaited day of the Senior trip arrived. With excitement the Seniors set off on May 13 for a dazzling four days. On May 16 they returned, tired but happy.

We ended our high school days on May 28, but our memories of these years will never leave us.

THE ROADBED

Mrs. Echols' class studies history through biography.

Mr. Harkins explains the make up of the Federal government to the class.

The world geography class studies rubber, a product of several countries.

Our students study social studies in order to understand present events from history and geography. They also study our Federal, State, and local governments so that they may become better citizens. Term papers and book reports supplement lectures and class discussions.

World Geography is taught by Mr. Hayter, U.S. and Virginia History by Mrs. Echols, Mr. Winters, and Mr. Hayter; World History by Mr. Hankla; and Government by Mr. Harkins and Miss Neff.

Social Studies

Edwin Whitmore points out Western Europe as he reports to the class.

Biology students dissect an earthworm.

Science

The Physics class measures radioactivity.

Students taking science courses at M.S.H.S. have the opportunity to work in modern laboratories under the skilled supervision of Miss Marlene Sadler and Mrs. Jane Waters, Biology; Mr. Jack Cox, Chemistry; and Mr. Harlan Pafford, Physics. Advanced courses are offered to interested students, and this year there are two in Advanced Chemistry, one in Advanced Physics, and twelve in Advanced Biology.

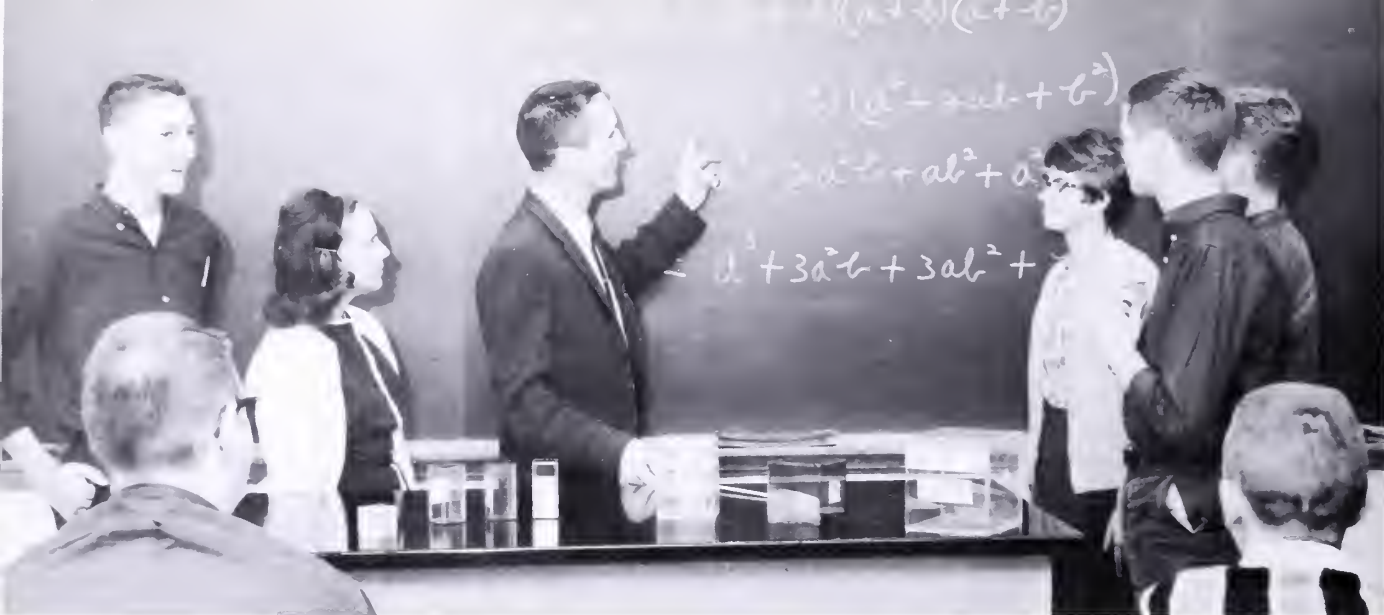

Lectures and reading supplemented by experiments give students an understanding and mastery in each field, and a science project chosen by each student makes the course more interesting for him.

Advanced Biology class works on individual laboratory projects.

Chemistry students learn through experimentation.

Mr. Earp explains binomial expansion to his class.

Academic Math

The Academic Math program at M. S. H. S. includes Trigonometry, a one-semester course offered to juniors and seniors with Solid Geometry offered the other semester, Plane Geometry, Algebra I and II, and Advanced Math.

In Geometry the student gains an understanding of deductive reasoning and plane and space figures.

In Trigonometry the student develops computational skills and studies identities, trigonometric equations, and angles.

The Algebra program has been broadened to include a good deal of trigonometry, some elementary calculus, and other phases of higher math.

Advanced Math bridges the gap between intermediate algebra and calculus and contains trigonometry, analytic geometry, and college algebra.

Our excellently equipped mathematics laboratory contributes greatly to these courses.

The Trig class practices using their slide rules.

Advanced Math students study the transit.

Geometry students constructing.

Mrs. Overbey and her bookkeeping class pause to pose.

Commercial Math

Ann Freeman demonstrates Venn diagrams to the class.

Terminal Mathematics is taught in the junior or senior year for the students who are in the general or commercial course. It is planned for those pupils who need more knowledge in the fundamentals of mathematics and in the application to everyday problems and needs. The units studied include Statistics, Better Buymanship, Using Consumer Credit, the Family Budget, Taxes, and Measurements.

Business Math is designed so that it has value for personal use as well as for business use. The class is organized so that the beginning units develop the principles and operations through a study of problems faced by every individual in his daily life.

Neatness and good penmanship are stressed in bookkeeping. The basic procedures to be applied in keeping records systematically and accurately are offered through this course. High school bookkeeping may be used as a basis toward a possible career in accounting.

Mrs. Harris supervises as the class fill in their records.

The business math class works industriously.

Miss Wolfendon's class takes and transcribes shorthand.

Business

Mrs. Harris supervises the typing class as they take timed writings.

Students enrolled in a business course may take two years of shorthand taught by Miss Anne Wolfendon; two years of typing—the first year taught by Miss Wolfendon and Mrs. Harris, and the second year taught by Mrs. Charles Overbey.

In first year typing and shorthand, students learn the basic techniques necessary for advanced courses. After the second year they are capable of performing any required secretarial duties.

The students enrolled in Office Practice learn how to operate office machines by practice on various machines used in typical offices.

General Business gives students an understanding of the business world through the study of banking, insurance, credit, transportation, and communication.

Mr. Ward and the general business class study the lesson.

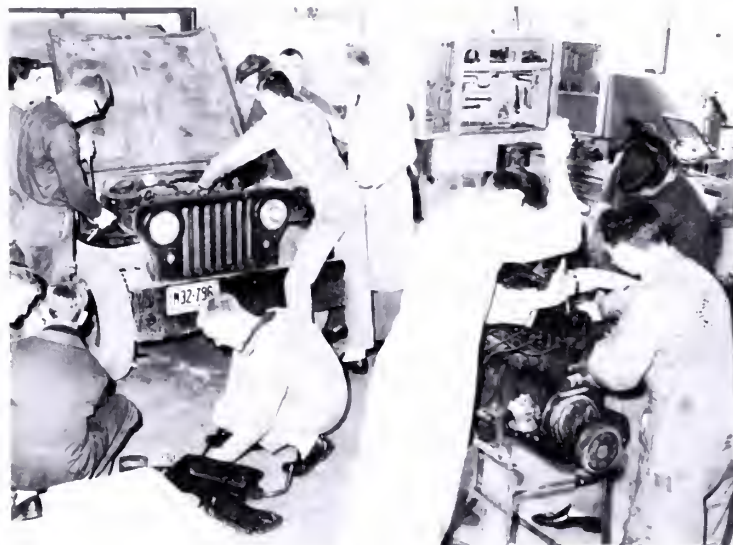

Office Practice students practice on various machines.

Agriculture students study topographical maps.

Vocational Courses

Mr. Vicars directs his students in repairing a jeep.

Marion High School's Vocational Courses include Industrial Arts and Mechanical Drawing taught by Mr. Vicars; Agriculture by Mr. Robinson; Home Economics by Miss Norma Wallace; and Special Shop by Mr. Waddle.

The first year Industrial Arts students study general wood shop. This year a new class, Exploratory Auto Mechanics for second year students, has been added.

Mechanical Drawing students learn the proper use of tools of the draftsman. The following types of mechanical drawing are taught: orthographic, projection sectioning, isometric, dimensioning, and auxiliary views and revolutions.

Agriculture provides for both efficiency in farming and agricultural business. Students can apply what they have been taught in judging contests, exhibits, field trips, expositions and the students' own farms.

Three years of Home economics are offered for girls who desire a knowledge of the job of homemaking and family living. The course teaches homemaking for the present as well as preparation for the future.

Home Economics class sets the table for a group dinner.

Learning to use the T-square.

Nena Lemmon recording Spanish as Mr. Henry dictates.

Miss Neff's second year Latin students study Caesar's Commentaries.

M. S. H. S. offers two foreign languages, Spanish and Latin. Three years of Spanish are taught by Mr. David Henry while Miss Elizabeth Neff teaches two years of Latin.

The students receive great help through language tape recorders. The recorders are used so that a student may hear his mistakes in pronunciation, thus enabling his speaking of the language to improve.

In addition to the mechanics of the language, the students are exposed to the culture, literature, and history of the people of the various involved countries. This is done by the use of maps, charts and films.

Mr. Henry's second year students listen to a Spanish recording.

Foreign Language

Latin students present a play of Caesar's time.

Mr. Winters answers Roger Barton's question as the class takes a test.

Freshmen listen attentively as Mrs. Courtney explains *The Count of Monte Cristo*.

All the English classes study grammar and literature, work to build vocabularies, and read a number of required books. From a few short themes in their freshman year, the students progress to an average of one theme a week in Senior English. Term papers are required in the sophomore, junior, and senior years.

English IV is taught by Mrs. Evelyn H. Schulz, English III by Mrs. Mary Burton and Mr. Edward G. Hankla, English II by Mr. Chester Jordan and Mr. Marvin Winters, and English I by Mrs. Eloise Courtney.

Roy Martin points out the origin of Scottish literature.

English

Mrs. Burton's class debates the progress of American literature.

The Physical Education class enjoys square dancing.

Physical Education

Students are required to take Physical Education through the tenth grade. The boys participate in the following sports during the year: touch football, speedball, trampolining, volleyball, tumbling, handball, wrestling, weight lifting, archery, softball, track, tennis, and golf. The girls' activities include: archery, tennis, badminton, volleyball, tumbling, basketball, track, golf, and softball.

Twice during the school year physical fitness tests are given to show the progress of each student.

Two times during each week the classes meet in the classroom for Mental Health or Driver's Education. Each Friday there is a co-recreational period which includes volleyball and dancing.

The girls develop grace through the techniques of modern dance.

The boys playing volleyball.

Art students model and paint.

Fine Arts

In Art class students learn basic techniques of manipulation of materials, media, and tools. They enter competitions and art exhibits and contribute to school life by doing bulletin boards. Art I, II, III are taught by Mrs. Nile Linkous.

Chorus class, taught by Miss Crawford, is made up of singing and the study of things pertaining to singing. The members give concerts and assemblies throughout the year.

Speech and Dramatics activities emphasize the development of the individual's natural speaking ability. Mr. Chester Jordan teaches the students to use the basic forms of speaking which are elementary in productive and pleasurable life.

Singing can be fun as the choral class shows us.

With Christmas nearing, the Speech and Dramatics class practices for a play.

Marion 20—Chilhowie 13

The Scarlet Hurricane started off the new season by defeating rival Chilhowie. Marion scored twice in the second quarter and once in the fourth on runs of one and six yards by Larry Bales. Byron Shankman and Larry Bales ran for the extra points. The other TD came on a spectacular 69-yard pass play from Larry Bales to Roger Bales. Gross and Russell scored Chilhowie's touchdowns.

Marion 13—Pulaski 6

Marion continued on its winning ways with the help of the Bales brothers. The Hurricane's first touchtown came on an eighteen-yard pass from Larry Bales to Roger Bales. Shankman added the PAT. Pulaski scored in the second period, but the try for extra point was blocked. In the fourth quarter the Bales-to-Bales combination connected again. This time for a four-yard TD. The extra point attempt was short.

Marion 0—Graham 39

Marion suffered its first loss at the hands of the powerful Graham G-Men. Marion moved the ball well in the first quarter, but soon it was all over. Graham scored once in the first quarter, twice in the second, twice in the third, and once more in the final quarter. The winners pilled up twenty-seven first downs to Marion's seven.

Marion 7—Richlands 8

Marion suffered its second loss in a heartbreaking contest. Richlands scored all its points early in the game on a touchdown and an attempted punt which was recovered in Marion's end zone for a safety. The Hurricane staged a dramatic comeback in the second half. Gary Hall capped a 95-yard drive by plunging over from the one. Marion had the ball on the Richlands 35-yard line when time ran out.

Marion 20—Virginia High 20

Ron Sawyers put on an unbelievable show with three dazzling runs as Marion fought arch-rival Bristol to a draw. The Bearcats scored first on a four-yard run. Marion scored quickly on a 31-yard pass from Johnny Crowder to Sawyers. Roger Bales' kick was good.

Then Sawyers ran 54 yards around end for his second TD. The PAT was missed. Virginia High scored again in the second half to tie the score. Then Sawyers scored his third TD of the night on a 26-yard pass from Crowder. The point after was good. With time running out, Virginia High tied the score again at 20-20.

Marion 6—Tazewell 26

Tazewell's Bulldogs upended the Scarlet Hurricane on a muddy field. Dennis McReynolds led the Bulldog attack.

Marion 0—Grundy 26

Grundy's district champion Golden Wave rolled over Marion for the Hurricane's fourth and final loss. Grundy scored three times in the first half and once in the second as Marion failed to penetrate the Grundy 45. Marion was outgained by the crunching Grundy ground game 156-51.

Marion 21—Abingdon 12

Marion climbed back into the win column with a Homecoming victory over the Abingdon Falcons. All of Marion's points came in the first half as Ron Sawyers scored from three yards out in the first period. Gary Hall added another TD on a 25-yard run. Then Larry Bales threw to Sawyers for a 62-yard scoring play. Roger Bales kicked all three extra points. Abingdon scored once in the third and once in the fourth period to complete the scoring.

Marion 25—Wytheville 7

The Hurricane scored virtually at will in defeating bitter rival Wytheville. Marion's running game was in high gear as our shifty backs ran over and through the small Wytheville line. Ron Sawyers and Gary Hall led the Hurricane attack on a cold, cutting night.

Marion 18—R. B. Worthy 6

The Scarlet Hurricane ended a winning season defeating arch-rival Saltville. Byron Shankman scored twice on plunges from one yard out. Saltville scored in the fourth quarter on a two-yard run. Marion's final TD came on a 17-yard run by Ron Sawyers.

The 1963-64 Hurricane basketball team posted an 8-14 record this season. Although the team was hampered by a lack of height and experience, they turned in many fine performances. They capped the season with a trip to the regional tournament. Prospects for next season are bright with four starters returning and a fine junior varsity team that posted a 16-3 season mark.

ORGANIZATIONS AND PUBLICATIONS

Hurricane

The main function of the annual is to be a real memory book, a glorified family album, with pictures of every student and faculty member in the school. It tells a complete human history of one year of school life. It builds good will for the school by giving a true and comprehensive picture of what it is trying to accomplish. The staff, composed of juniors and seniors and advisors, acquire valuable educational experience through work on the year book.

The Student Cooperative Association is an organization composed of all students in the high school. The business of the S. C. A. is carried out by the Advisory Council elected by the students.

The objectives of the council are to promote better citizenship, self-improvement, well-rounded social program, a more active health program, and better cooperation among students, teachers, and community.

The S. C. A. sponsored the pageant to select Miss Marion Senior High.

One project of the S. C. A. was to sell Activity Tickets to the students. Here, Jean Boxley, shows final sales.

The main part of S. C. A. work is carried on in committees. Members volunteer for committee work. At the left the Citizenship Committee, the Radio Committee, the Club Committee, and the Constitution Committee are shown at work. Other committees work on bulletin boards, assembly programs, discipline, patriotism, the handbook, the honor system, and Homecoming Activities.

Our S. C. A. is active in State and District activities. The first picture at the right shows Stafford Stephenson, Mike Synthe, and Danny Bales, delegates to the State Convention. The middle picture shows delegates leaving for the District Meeting. The last picture shows the students who attended the Miller and Rhoades Forum in Roanoke.

The S. C. A. sponsored a Stage-O-Rama to raise money for the United Fund.

Bonnie Parker thanks Mr. Burke Graybeal for his speech on honesty in the school.

Indy Cook talks with teachers about the awarding of scholastic letters, a new S. C. A. project.

Tri-Hi-Y members gave morning devotions.

The Gamma Delta Tri-Hi-Y is an organization of junior and senior girls whose chief purpose is to exemplify and uphold high standards of Christian living. There are sixty-four active members.

Projects for the year included: a daily devotion over the intercom, a table blessing at each lunch period, ten CARE packages to India, co-sponsored the Thanksgiving assembly program, gave Christmas gifts to patients at the Southwestern State Hospital, clothed a needy child, placed Heart booklets of scripture verses on patient trays at both local hospitals, provided Thanksgiving dinner for a needy family, adopted a family at Christmas time, and co-sponsored the Christmas dance.

The club sent delegates to Model General Assembly and to all of the district meetings. The chief money-making project was operating the Snack Bar after school.

Tri-Hi-Y members operated the snack bar during January, February, and March.

Hi-Y

Hi-Y boys cared for the Trophy Case.

The Hi-Y sponsored a Donkey Ballgame.

The Hi-Y is composed of junior and senior boys. Its purpose is to promote Christian character and Christian service among its members.

This year the club presented each student with individual honor pledge cards, cleaned trophy cases at school, presented Christmas gifts to patients at Southwestern State Hospital, contributed to World Service, co-sponsored the Christmas Dance and the Thanksgiving assembly program, and sponsored the Donkey Ballgame.

Members of the club attended several churches as a group, and a special study of the Roman Catholic Church was conducted. Members also attended District Workshop, District Convention, and Model General Assembly. The purpose of the Junior Tri-Hi-Y is to create, maintain,

Varsity Club

Varsity Club members worked the concession stand at ballgames.

The Varsity Club helped to purchase wrestling mats.

The Varsity Club is made up of all boys who have lettered in one of the five varsity sports—football, basketball, baseball, golf, and track. The aims of the club are to promote better sportsmanship, more participation, and the best athletic teams for Marion Senior High School.

The club gives a sweater to all seniors who have earned five letters and also gives a special award to any member who letters four years in the same sport.

The main project of the club was selling drinks and candy at home basketball games. The club also helped pay for a whirlpool bath and wrestling mat.

The objective of the Science Club is to provide students with an opportunity to develop an interest in some phase of science. This year the club consisted of eighty members. The primary project of the club is presenting a Science Fair. Each member presents his project to be judged. The Science Club also assists the Science Department in any way possible.

Club members prepare for Science Fair.

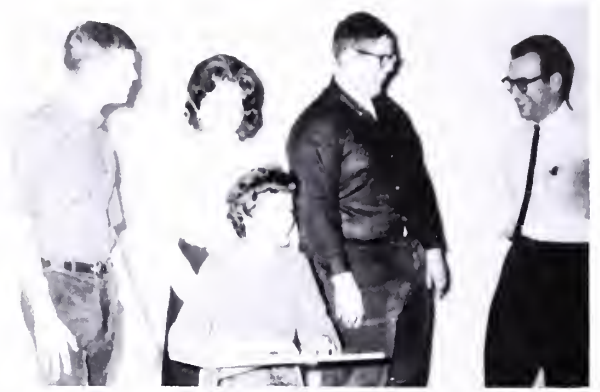

All Science Club members are required to have a Science project.

Forensic

Club members presented a one-act play.

The Forensic Club practiced public speaking.

The Literary and Forensic Club is open to all students who are interested in some field of literary work, such as public speaking, spelling, prose, poetry reading, creative writing, or dramatics. To emphasize these qualifications, members of the club participate in local, county, district, and state literary meets. They take part in various essay, debating, and forensic contests.

The purpose of the Literary and Forensic Club is to stimulate interest in various forms of public speaking and dramatics, to improve and promote the talents of the members with special emphasis on one-act plays and on forensic meets.

Latin

First-year students presented a play in Latin.

The Latin II Clubs, S. P. Q. R. and Scipuli Laeti, presented programs on Roman culture in Latin and in English. To aid them in their study, members made posters, bulletin boards, maps, derivative charts, and notebooks. The clubs are affiliated with the Junior Classical League and participate in its activities when possible. The students presented a radio program in the spring. The highlight of the year was a Roman Banquet, held in the school cafeteria. At Christmas contributions were made to the Care Crusade, and gifts were given in the local area.

All Latin students attend a Roman Banquet each year.

Industrial Arts

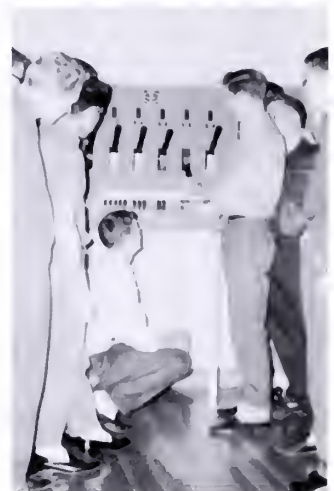

First Row: Fred Pack, Chaplain; William Rosenbaum, Vice-President; Allen Umbarger, President; William Meek, Secretary-Treasurer; Charles Funk, Reporter. *Second Row:* Gerald Brooks, David Umbarger, David Britton, Jerry Archer, Mr. Vicars, Sponsor; David Dean, Randall Hopkins, Hubert Hopkins.

The Industrial Arts Club is organized to develop high standards of craftsmanship and to assist school and civic organizations in presenting plays and special programs.

In carrying out these objectives, members construct stage props, provide stage lighting, and operate the public address system, the movie projector, and the stage curtains. A continuing project is keeping the school sign up to date on special events.

Club members were in charge of the school sign.

Club members operated the stage lights for all vents.

Distributive Education

Club members participated in District Distributive Education Contest.

These two people were winners in the D. E. Contest.

The purpose of the Distributive Education Club is to coordinate classroom instruction related to a chosen business occupation in retailing, wholesale, and service fields. At the same time the student acquires work experience and training with a businessman who provides part-time employment for which the student receives school credit plus pay.

To raise money, members sold Christmas tape and bulbcovers. They sponsored an employee-employer banquet in April. In February the club attended the District D. E. Contest held at John S. Battle High School. Every Friday is set aside for Dress-Right Day for all members of the club.

First Row: Linda Maiden, Secretary; Willard George, Treasurer; Susan Winebarger, President; Howard McCormick, Vice-President; Patricia Gambill, Reporter. Second Row: Ruth Harris, Shirley Stanberry, Mr. Ward, Sponsor; William Lambert, Lillian Lynch, Emma Lucas. Third Row: Allan Umbarger, Robert Campbell.

Library

First Row: Miss Fleenor, Sponsor; Lillian Lynch, President; Kayretha Ford, Reporter. *Second Row:* Peggy Vernon, Joseph Harris, Ronald Anderson, Ervin Farmer.

Club members assisted the librarian at the desk.

Club members instructed students in use of library.

The Senior High School Library Club endeavored to achieve the following things for the students:

1. To offer reading guidance. A pupil's growth in reading depends largely on his opportunity to use varied materials and to choose, with guidance, those which are appropriate for his own abilities, interests, and improvements.
2. To assist pupils with reference work and research.
3. To offer instruction in how to use the library.
4. To contribute to personal growth. The library is an area in the school where pupils learn to share facilities and materials, to assume personal responsibility as they serve each other as library helpers, and to observe regulations for borrowing books and other materials. By recommending appropriate reading material, we may frequently help the student solve his problems.

Junior High School Cooperative Association

S. C. A. members were in charge of bulletin boards.

The S. C. A. seeks to promote student activity, to develop harmonious relations between students and faculty, to assist in the management of school projects, to develop attitudes of good citizenship, to promote the welfare of the school, develop initiative and responsibility, to provide a laboratory for citizenship, and to provide an opportunity for the training of student leaders.

The Student Council has assisted in the selling of school supplies, annuals, athletic tickets, and the newspaper. They sponsored a Valentine and Spring dance, the newspaper, a popsicle contest for the purpose of securing athletic equipment, a radio program, a talent program, and a sock-hop.

Members worked hard on various projects.

First Row: Mr. Sutherland, Sponsor; Betsy Lemmon, Treasurer; Bonnie Farrington, Vice-President; Chin Chin Ho, President; T. R. Powell, Secretary; Emmett Peake, Reporter. *Second Row:* Mr. Clay, Principal; Mary Guy, Johnny Wright, Tommy Thomas, Mark Durst, Stella Snively, Mavis Slem, Debbie Slager. *Third Row:* Kay Hancock, Linda Clark, Terry Blevins, Joan Sneed, Brenda Moore, Judy Armstrong, Sharon Maiden. *Fourth Row:* Leslie Whitt, David Call, John Winters, Eddie Houck, Beattie Coe, David Testerman, Elana Centor, Carol Hudson.

Junior Journal

First Row: Kay Hancock, Business Manager; Janet Volz, Managing Editor; Mark Durst, Circulation Manager. *Second Row:* Shelia Shuler, Feature Editor; Virginia Smith, Review Editor; Mr. Sutherland, Advisor; Shelia Widner, Club Editor; Kathy Brickey, Gossip Editor. *Third Row:* Judy Russell, Art Illustrator; Bonnie Farrington, Gossip Editor; Eddie Houck, Sports Editor; Jean Sneed, Sports Editor; David Testerman, Art Illustrator. *Fourth Row:* Debbie Slager, Gossip Editor; Mary Obregon, Review Editor; Mary Hampton, Feature Editor; Pam Faine, News Editor; Wanda Winebarger, Club Editor; Billy McKay, News Editor.

Staff worked diligently to publish the paper.

The Junior Journal, a project of the S. C. A., attempted to inform the student body, the faculty, the administration, and the parents of the events at the Junior High School.

In addition to the regular articles each issue included features, creative writing, informative reports, and a cover sheet drawn by one of the staff artists.

The major objectives of the paper were to inform the student of his own world, guide him personally, vocationally, and educationally, and influence him toward desirable attitudes and habits, good taste, tolerance, sound thinking, citizenship, and school spirit.

Junior High Science

First Row: Nancy Sparger, Treasurer; Lynn Graybeal, Reporter; Betsy Lemmon, Secretary; Jerry Landreth, President; Mark Groseclose, Vice-President; Mrs. Potter, Sponsor. *Second Row:* Harriett Morrell, Shelia Shuler, Chin Chin Ho, Suzanne Atkins, Derby Welch, Sally Jacoby, Carleen Slempp, T. R. Powell, Billy McKay, John Gray, Mrs. York, Mrs. Blessing. *Third Row:* Betty Ogle, Rebecca Sturgill, Mary Guy, Anne Lindsey, Donna MacFarlane, Sherry Rowland, Linda Riley, Jeannie Conner, Mickie Fenyk, Rebecca Currin. *Fourth Row:* Janet Volz, Terry Blevins, Jean Sneed, Linda Dixon, Kathy Brickey, Delana Shupe, Joyce Carrico, Judy Overbay, Dianne Blevins, Mary Hampton. *Fifth Row:* Allen Winebarger, Mark Durst, Arthur Light, Bill Hankins, Dick Tanner, Kenny Snider, Charles Beville, Tommy Thomas, Bobby Sullivan, Jackie McGlothlin, Billy Echols, Joe Parker, Pam Faine, Mary Obregon.

The Junior Science Club affords an opportunity for seventh, eighth, and ninth grade students who are especially interested in science to participate in worthwhile science programs.

Every month a complete club meeting was held, and every week division meetings were held.

Activities include geological and biological field trips, chemistry and physics demonstrations, star gazing, participation in the Smyth County Science Fair, and guest speakers.

Each member receives a certificate of membership in the Science Club of America.

Science Club members were all in a science class.

Members learned to care for laboratory equipment.

Junior High Future Homemakers of America

First Row: Mrs. Dillard, Sponsor; Judy Armstrong, Chaplain; Susan Glass, Secretary; Dana Gamble, President; Bonnie Farrington, Vice-President; Mavis Slem, Treasurer. *Second Row:* Judy Overbay, Brenda Moore, Linda Riley, Kathy Brickey, Historian; Betty Funk, Reporter; Wanda Winebarger, Phyllis Gentry, Ann Petty, Chris Brooks, Mildred Wymer. *Third Row:* Mary Guy, Ann Lindsey, Donna MacFarlane, Sherry Rowland, Joyce Slem, Stephanie Cortner, Barbara Steel, Cathy Wakk, Becky Neff, Linda Cale. *Fourth Row:* Kay Hancock, Sandra Sexton, Phyllis Burkett, Martha Sexton, Judy Sprinkle, Carol Surber, Linda Henderson, Judy Crewey. *Fifth Row:* Rebecca Sturgill, Brenda Bucklen, Donna Bise, Joyce Carrico, Nancy Trent, Joyce Ferguson, Donna Blevins, Ann Funk, Patty Hawkins, Nancy Crouse, Shirley Thomas, Charlotte Snapp, Phyllis Taylor.

The Junior High FHA's purpose as expressed by their motto "Toward new horizons" is "Learning to live better today in order that our lives may be better tomorrow."

The club tried during the year to fulfill this purpose through its various activities. In order to promote its activities, the club operated a snack bar, sponsored the Mother-Daughter Party, sold cook books, and prepared refreshments for the patients at Southwestern State Hospital. Besides these special projects, the officers served at the Principals' Supper.

Members cooked many meals in the department kitchen.

Members learned to care for the kitchen.

Junior High Future Farmers of America

First Row: Ronald McGhee, Vice-President; David Goodpasture, Bill Price. Second Row: Larry Buck, Sentinel; Joe Foster, President; Kenneth Hamm, Robert Blevins, Reporter. Third Row: Ray Kirby, Treasurer; Albert Clark, Gary Thomas, Secretary; John Morris, John Morris, Larry Taylor.

The Junior Future Farmers of America, an organization for students studying vocational agriculture, was designed to develop successful farming methods through systematic and extended instruction. The FFA has become an integral part of the instructional program of agriculture as well as contributing much to the growth and development of the program.

The FFA seeks to give an opportunity to develop those qualities of leadership every citizen should have.

Members often work in the shop.

They learn to operate valuable equipment.

Junior High Chorus

First Row: Miss Crawford, Chorus Director; Emmette Peake, James Testerman, Mike Hall, Martha Patton. *Second Row:* Kathy Brickey, Nancy Trent, Sherry Romans, Pat Goins, Linda Snavelly, Debbie Dentzler, Sherry Atkins, Linda Cress. *Third Row:* Joe Norman, Richard Britton, Mike Hayden, Alan Pennington, Gary Johnson, Danny Richardson, Ronald Kirk, Ervin Johnson. *Fourth Row:* Wanda Mullins, Diane Blevins, Terry Blevins, Ann Petty, Brenda Blevins, Christine Brooks, Peggy Quillen. *Fifth Row:* Frieda Elledge, Sharon Maiden, President; Mary Hampton, Patricia Blevins, Peggy Taylor, Janie Otham, Janet Volz, Deborah Johnson, Vice-President; Carol Sage, Shirley Rouse, Margaret Patton.

The Junior Chorus has forty-one members consisting of four parts — soprano, alto, tenor, and bass.

The chorus participated in three assembly programs and gave a spring concert.

Chorus worked hard during practices.

Junior High Dramatics Club

There were thirty students enrolled in our Dramatics Club, which was under the direction of Mrs. Walker.

Our objectives were to learn the fundamentals of the stage, to portray various types of characters, to read scenes and analyze characters, to do creative writing, and to express emotions.

One play, "The King's Nightingale," was presented to the student body.

The Dramatics Club presented several plays.

First Row: Mrs. Walker, Sponsor; Jean Sneed, Karen Hester, Royanne Fenyk, Chin Chin Ho, Mary Guy. *Second Row:* Nancy Sparker, Linda Riley, Sherry Rowland, Jean Conner, Carlene Slem, Lynnn Graybeal, Betsy Lemmon, Suzanne Atkins. *Third Row:* Melvin Campbell, Tommy Thomas, Billy McKay, Linda Dixon, Donna Blevins, Rebecca Currin, David Testerman. *Fourth Row:* Mark Groseclose, Perry Lundy, David Archer, Jerry Blevins, Dick Tanner, Fred Blevins, Joysu Copeland, Arlene Stephens, Rebecca Sturgill.

Junior High Projector Club

The purpose of the Projector Club, which was organized this year, is to provide a service to the school. This was accomplished by providing help to the faculty in presenting audio-visual materials for the students.

The club consisted of thirty members under the direction of Mr. Blessing.

Members learned proper use and care of the projector.

First Row: Dennis Lockhart, Sergeant-at-Arms; David Archer, Reporter; Johnny Wright, President; Mark Durst, Vice-President; James Shuler, Secretary-Treasurer; Mr. Blessing, Sponsor. *Second Row:* William Hankins, Allen Winebarger, Jerry Blevins, Wally Sales, William McKay, William Ogle, Kyle Collins, Clifford Stanley. *Third Row:* Claude Hutton, Thomas Nickols, James Defiece, Melvin Campblee, Michael Sawyers, James Hamm, Ted Farmer. *Fourth Row:* Lynn Vernon, William Murphy, William Burnside, Thomas McKay, Preston Long, Kenneth Moore, Michael Long, David Gentry, William Bear, Leslie Whitt.

THE CHAMBER OF COMMERCE OF MARION, INC., has a responsibility to the students of Marion Junior High School, and Marion Senior High School in attempting to provide, through it's voluntary membership, a climate where business and industry can operate and offer opportunities to the graduates of Marion Senior High School.

The Chamber strives to establish and improve the civic, educational and cultural facilities of the Community in order that Marion may attract more business and industry, so that greater opportunities be afforded you in Marion after your formal education is completed. With your completion of High School, you are making MARION a Better Town in which to LIVE, WORK AND PLAY.

We salute the students of Marion Junior and Marion Senior High Schools and offer our best wishes to the 1964 graduates.

Opportunities Like
Edison had are

WAITING FOR YOU

The inventions of Thomas Edison have affected the lives of people everywhere. They have created entire industries — ours, for example.

Under America's Free Enterprise system, inventive people like Edison can expect special compensations — profit, honor and satisfaction.

The hope of attaining such rewards has been one of our nation's greatest incentives to progress. It is a goal that prods imaginative minds in their quests for new products and methods.

Not everyone can be a Thomas Edison. However, every trained, dedicated graduate can anticipate a full measure of our society's rewards.

Crossroads

At the end of ROUTE '64 we pause in our journey, weary and with our once empty luggage bulging with memories, to take one more backward look. Though ROUTE '64 has come to an end, our journey is not finished; it extends ever before us to the limitless horizons. It is our hope that often in your journey onward you will pause to travel ROUTE '64 again and relive your high school days. "the sweetest time of life."

May we extend heartfelt thanks to the gracious patrons of our community, and to every student and teacher whose generous cooperation has made the publication of the 1964 HURRICANE possible.
